

MY STORY

I stumbled into development and discovered it was the one thing I'd been searching for all along. Coding is an exciting field to me because there's always something new to learn. I have a growth mindset, a passion for learning, and an eagerness to contribute to and embrace the world of development.

ADELAIDE YODER

FULL STACK SOFTWARE DEVELOPER

WORK EXPERIENCE

Nashville Software School, Full Stack Software Developer

MAY 2018 - PRESENT

Intensive full-time software development bootcamp focusing on full stack development fundamentals and problem solving. The final half of the program executed in a simulated company environment with Scrum methodology.

- Hands on application of OOP fundamentals through group and individual projects
- Source code version control with Git/GitHub
- Project management/tracking with Github Projects & Issue Tracking
- JavaScript fundamentals leveraging DRY, modular, readable code and reusable components
- Task Automation with Grunt: Linting with ESLint, module bundling with Browserify
- Application design through white boarding dependencies and building ERD's
- Built browser-based single page applications using React, HTML, CSS and jQuery
- Styled applications with CSS Frameworks, Bootstrap, and wrote custom styles as needed
- Leveraged VirtualBox for virtualizing a Windows environment
- Created and modified database design/content using SQL, ASP.NET, and ORM tooling
- Created RESTful APIs with C#/.NET using WebAPI
- Leveraged Razor for creating and editing MVC applications

PROJECTS

Client Side Capstone: Weekly Meal Planner

- Problem: Never know what to cook for dinner
- Solution: Responsive CRUD application for people to use to plan their weekly meals
- Built in ReactJS using JSON server

Server Side Capstone: Coming Soon!

Earl Swensson Associates, Administrative and Marketing Team / Reception

FEBRUARY 2014 - MAY 2018

ESa is a leading architectural firm based in Nashville, committed to sustainability and award-winning leadership in BIM integration.

- Front Desk support; answered phones, welcomed guests
- Managed Company Video Wall that displayed current projects
