PERSONAL PROFILE

What motivated you to get into software development?
Honestly, I stumbled over it, AND then I discovered it was the one thing I had been searching for all along.

What excites you about code?
There's always something to learn, and that energizes me.

I have a passion for learning with a growth mindset, ready to explore the exciting world of development!

PROJECTS

Client Side Capstone: Weekly Meal Planner
Responsive CRUD application for people to use to plan their weekly meals. Built in ReactJS using JSON server,

Server Side Capstone: Coming Soon!
